Dear Ms. Williams

In Response to Office Communication dated May 31, 2007
Notice of Non-Compliant Amendment (37 CFR 1.121)

Thank you for the above communication.

The drawings, which accompanied my response to Office Action (Non-Final rejection 04-04-2007) were not amended but were simply copies of the original ones.

I now realise that they should not have been present with my amendment document, as they are not part of the amendment.

Would it be possible for you to remove them and disregard them, as they serve no purpose as part of the amendment document and are identical to the original ones,

I hope this meets with your approval and I await your response in readiness to correct anything else that may be necessary.

Yours sincerely

Ms. Laaong Silaprom
